Activity Report

MIC Driven Activity: National Technology Week Inaugural Address of Hon'ble Prime Minister of India at 10.00 AM, 11th May 2023

National Technology Day is celebrated annually on 11 May to pay tributes to the stalwarts and advancements in the technological domain. After the successful nuclear tests under Pokhran-II aka Operation Shakti for the first time in 1998, May 11 was declared as the national day of technology. The series of five nuclear bomb tests signified a shift in India's technological abilities and was instrumental in garnering attention as a nuclear power.

Objectives

to promote scientific temper and inspire the younger generation to pursue careers in STEM (science, technology, engineering, and mathematics) fields

conducted –Online

Total Student -40

Faculty -12
