Introduction

The celebration of International Women's Day was held on March 8, 2025, at the AC Seminar Hall, organized by the Women's Grievance Redressal Committee, IIC, and the First

Year Engineering Department. The event aimed to acknowledge the achievements of women, encourage gender equality, and inspire young minds to contribute to a more inclusive society.

Event Proceedings

The program commenced with a welcome address, highlighting the significance of International Women's Day and the importance of empowering women in education, industry, and society.

1. Address by HOD Dr. Sandip Patil

Dr. Sandip Patil emphasized the role of women in technological and industrial advancements. He highlighted the importance of providing equal opportunities and fostering an environment where women can excel in their respective fields.

2. Keynote Speech by Guest Dr. Dypti Paydhan

Dr. Dypti Paydhan, the esteemed guest, delivered an inspiring speech on women's empowerment, leadership, and the need for active participation in STEM fields. She shared valuable insights on overcoming challenges and encouraged young women to pursue their aspirations with confidence.

3. Interactive Session and Panel Discussion

An engaging panel discussion followed, where students and faculty members actively participated in discussions on gender equality, work-life balance, and career opportunities for women in engineering and entrepreneurship.

4. Recognition and Felicitation

The event also recognized and honored outstanding female students and faculty members for their contributions to academics, research, and extracurricular activities.

Conclusion

The event successfully provided a platform to celebrate the achievements of women and promote a culture of inclusivity and respect. The discussions and sessions motivated attendees to advocate for gender equality and support initiatives that empower women. The program concluded with a vote of thanks, expressing gratitude to all organizers, participants, and dignitaries for their valuable contributions.
