Dr. P. H. Zope
Convener IIC

World Population Day is observed annually on July 11th to raise awareness about global population issues, including family planning, gender equality, and sustainable development. In India, National Road Safety Week is celebrated from January 11th to 17th with the aim of promoting road safety awareness and reducing accidents.

World Population Day:

- **Purpose:** To highlight the urgency and importance of population-related issues.
- **History:** Established by the Governing Council of the United Nations Development Programme in 1989, first observed in 1990.
- **Key Themes:** Gender equality, sustainable development, reproductive health, and the impact of population growth on various aspects of life.

National Road Safety Week:

- **Purpose:**
To educate the public about road safety, promote responsible driving behavior, and reduce road accidents.
- **Key Activities:**
Awareness campaigns, road safety pledges, quizzes, slogan writing, poster making, and article writing competitions.
- **Theme for 2025:**
"Be a Road Safety Hero," emphasizing collective action for a safer environment.

Report on

"Be a Road Safety Hero,"

Emphasizing Collective Action for a Safer Environment.

Institution: SSBT's College of Engineering & Technology, Bambhori, Jalgaon

Organized by: NSS Unit / Student Council

Date: July 11 (World Population Day), January 11–17 (Road Safety Week)

Venue: Seminar Hall

Introduction:

In alignment with the mission to promote awareness and responsibility among students, **World Population Day** and **National Road Safety Week** were observed with informative and engaging activities. These observances aimed to sensitize students toward pressing social issues like population explosion and road safety concerns.

World Population Day

Purpose:

To highlight the urgency of population-related issues and their impact on development, health, and the environment.

History:

World Population Day was established by the **Governing Council of the United Nations Development Programme (UNDP)** in **1989** and was first celebrated on **July 11, 1990**.

Key Themes Covered:

- Gender equality
- Sustainable development
- Reproductive health and rights

- Challenges due to population growth
- Government initiatives on family planning

Activities Conducted:

- Poster-making and slogan-writing competition
 - Awareness seminar on population control measures and gender issues
 - Quiz on population statistics and reproductive health awareness
 - Group discussion on "Population and its effect on Resources"
-

National Road Safety Week (January 11–17)

Purpose:

To educate citizens about road safety norms and instill responsible behavior on the roads to reduce accidents and casualties.

Theme for 2025:

"Be a Road Safety Hero" – emphasizing the role of every individual in creating a safe road environment.

Key Activities Organized:

- Road safety pledge by students and staff
 - Demonstration of traffic rules and safety gear (helmet, seatbelt, etc.)
 - Interactive sessions with traffic police officers
 - Competitions:
 - Slogan writing
 - Poster creation on safe driving practices
 - Article writing on accident prevention
 - Short video screenings on real-time road accidents and their impact
-

Outcomes:

- Improved awareness among students regarding overpopulation and its consequences.
 - Instilled a sense of responsibility about road behavior and the importance of following traffic norms.
 - Promoted creative expression and critical thinking through various competitions.
 - Motivated participants to become advocates of change in their communities.
-

SSBT's College of Engineering and Technology, Bambhori Jalgaon
(Included under section 2 (f) and 12(B) of the UGC Act, 1956)
Grade A (3.14) NAAC Accredited

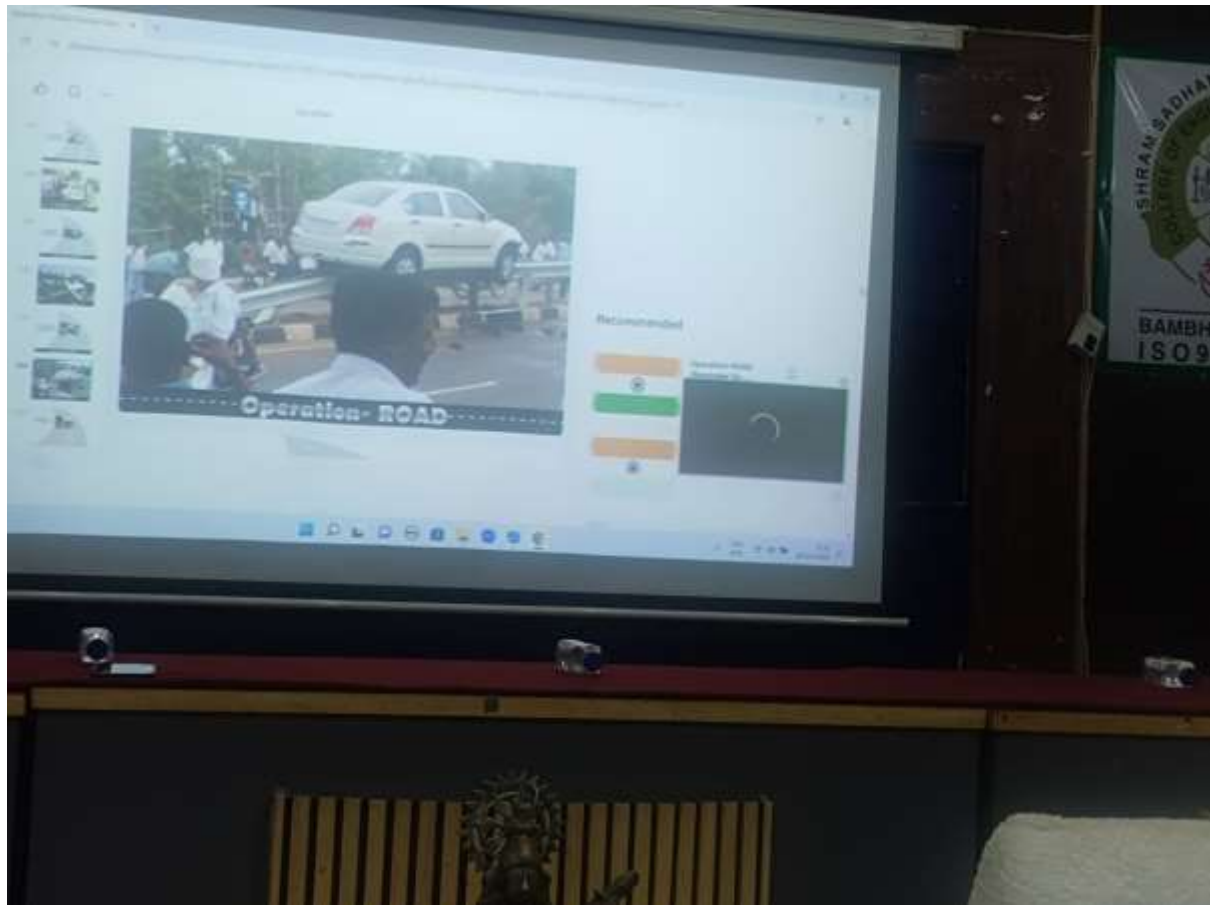

Conclusion:

Both **World Population Day** and **National Road Safety Week** served as meaningful platforms to educate and engage students on key social challenges. The collective participation of faculty and students highlighted the institute's commitment to holistic development and social responsibility. Events like these contribute not only to academic enrichment but also to shaping responsible citizens.
