VISION

To emerge as a leading First year engg department for the overall development of first year engineering students and faculty through academic and Research activities to meet up the global standard

MISSION

To provide student centric conducive academic, research and value added educational atmosphere by the activities of the faculties of Firstyear engineering department

OBJECTIVES

To impart innovative teaching and learning

To provide quality education with futuristic trends in engineering and technology

To develop the institute as a research center for academic excellence

To ensure continual improvement in quality management system

To inculcate social values, patriotism and professional ethics among the students

Induction -2025-Phase-II

The Induction Program for the academic year 2025-26 was a comprehensive and well-structured initiative aimed at ensuring a smooth transition for first-year students into the engineering college environment. The program successfully addressed various aspects of student life, providing them with the necessary tools and support to excel in their academic pursuits and personal development. The activities and sessions conducted were well-received and had a positive impact on the students, fostering a sense of community and a commitment to excellence.

Objectives

To develop professional ethics and human values

To emerge as a multidisciplinary personality

To become a proficient communicator

To develop Knowledge of contemporary issues

Outcomes

A Social adaptation ability developed in students. Students got awareness of Aptitude and importance of communication skills Students understood the value of team work Students understood the benefits of Yoga and Meditation Students are now aware of their responsibility

Industrial Visit

An Industrial Visit for F.E. Mechanical Students arranged at H.D. Fire Protect Limited Jalgaon MIDC on 07/05/2026. Thirty students of F.E. Mechanical Visited

Women empowerment

On the occasion of International Woman's Day Session on Women empowerment by Ms.Meera Kulkarni on 12th March 2026 for First Year Girls .

Alumni Interaction

Alumni Interaction of F.E. Computer students with Mr. Jayesh Patil, TMF Softwares Pune, Hackathon Finalist.

Science Exhibition–2026

On the occasion of National Science Day, the First Year Engineering Department of SSBT's College of Engineering and Technology, Jalgaon, successfully organized Science Exhibition–2026 on 28th February 2026.

- Total Students Participated: 432
- Total Working Models Displayed: 48
- Total Posters Presented: 174

TEACHER - GUARDIAN SCHEME

Teacher - Guardian Scheme (TGS) is introduced to assist the students in their learning difficulties and to monitor their academic performance regularly. For a batch of about twenty to twenty five students, a teacher is assigned the role of Teacher - Guardian (TG). Teacher -Guardian works as a friend, philosopher and mentor for these students. This scheme is to provide conducive environment to the students and takes some burden off the parents and lessens their anxiety. The students are free to contact the Teacher - Guardian for any kind of problems at any time during college hours. Students may also contact Teacher - Guardian through mobile after college hours.
