Departmental Faculty Improvement Programme

The Programme aims at enhancing the academic and intellectual environment in the Institutions by providing faculty members with enough opportunities to pursue research and also to participate in seminars / conferences / workshops. Participation in such programmes would enable faculty members to update their research and pedagogical skills.

The objective of this programme to provide an opportunity to the teachers to present papers in academic conferences/ seminars or participate in workshops and exchange knowledge and ideas.

Seminar on: Art of Harnessing MIND POWER

A cool, calm, composed and controlled mind is everyone's desire but most of us fail to harness the true potential of our mind. Many of us constantly get agitated by the unwarranted dictum of our mind which makes our life chaotic. People mostly commit suicide not because of any physical reason but only because of mental miseries.

Understanding the necessity of the time various private institute has been conducting different workshops and seminars all over the world educating people as how to channelize the mind's true potential and helping them to lead a healthy and happy life. As part of this initiative **Department of Applied Science** in collaboration with centre for Heritage of Indian Culture and Education organized a seminar on the topic *Art of Harnessing Mind Power* on 27th September 2014. It was attended by first year engineering students. The speaker was Ankit Tewari, Assistant Manager, National Stock Exchange (NSE), M.Sc. Tech with Finance, BITS, Pilani.
