Intuition

Our Inspiration

SSBT'S COLLEGE OF ENGINEERING AND TECHNOLOGY, BAMBHORI, JALGAON

Applied science

Vision

To emerge as the leading applied science department for the overall development of first year engineering students and faculty through academic and research activities to meet up the global standard.

Department of

To provide student-centered conducive academic, research and value-added educational atmosphere by the activities of faculties of Applied Science.

Prof. Dr. K. S. Wani Principal

Dr. S. P. Shekhawat Director Academies

Dr. V.U Edlabadkar Head

Departmental Events Science Exhibition 2017

The purpose of Science exhibitions is to develop scientific attitude in the young generation of our country to make them realize the interdependence of science, technology and society and the responsibility of the scientists of tomorrow. These objectives may be achieved by presenting the exhibits as an exciting experience of creativity of children, innovations through improvisations of science kits, and various devices and models for providing solutions to many present and future socioeconomic problems particularly those confronted in the rural areas, using available material sand local resources. The Department of Applied Science organizes Science Exhibition on 28 Feb providing a common platform to schools, teachers and students to give shape to their innovate ideas and learn from each other's experiences. These exhibitions also intend to provide a medium for popularizing Science and increase awareness among the stakeholders about close relationship between Science, Technology and Society.

Inaugaral Function By Chief Gues: Engineer Shashikant Kulkarni

Felicitation of Principal Dr.K,S.Wani

Saraswati Poojan
