Subject: List of Third and Final year students for the participation in EAC 2018.

Dear Sirs,

Two days Entrepreneurship Awareness Camp (EAC) is organized by Shram Sadhana Innovation and Entrepreneurship Development Center (SSIEDC) of our college from 16th to 17th February 2018 for TE & BE students in A/C seminar hall. It is requested to give the list of Third and final year students as per the number given below. Registration Fee for EAC is 100/- per student. It includes Certificate, tea & biscuits. It is requested to convey departmental co-coordinator to submit the registration fee and the list of the students registered for EAC by 12/02/2018 to Mr. Jayant P.P., Project Associate, SSIEDC, (Asst. Prof. Biotechnology Department).

Sr. No.	Branch	No. of Students (TE & BE)	Name of Departmental Coordinator
01	Mechanical Engineering	20	Mr. M.V. Rawlani
02	Computer Engineering	20	Mr. D.D. Puri
03	E & TC	20	Mr. Amol C. Wani
04	Electrical Engineering	20	Mr. Dhanesh Patil
05	Civil Engineering	20	Mr. Pankaj R. Punase
06	Information Technology	20	Mr. R. B. Sangore
07	MBA	15	Mr. Mukesh Ahhirrao
08	Biotechnology	15	Mr. Jayant Parpalliwar
09	Chemical Engineering	15	Dr. N.Y.Ghare
Total		165	

Thanking you.

Yours faithfully,

Brief Report of Expert Lecture
"Nickel Catalysts: Current and Future Challenges"

Date and Venue: 17/03/2018, Chemical Engineering Department

Aim/Purpose: To develop the interests of industrial atmosphere in students and to impart the knowledge of recovery of resources from waste.

Objectives: To develop awareness of the students on recovery of useful material from wastewater and to utilize this for revenue generation.

Resource Person's Profile:

- Shri Sandeep Kabra , Director, Suhans Chemicals Pvt. Ltd. ,MIDC, Jalgaon

Participants Profile:

- 28 Students of B.E. Chemical Engineering

Description about the programme:

- Shri Sandeep Kabra working as Director, Suhans Chemicals Pvt. Ltd. ,MIDC, Jalgaon discussed the opportunities in wealth from waste and guided the students on opportunities as well as challenges of chemical engineers.

Feedbacks & Analysis: Students know threats and policies to be developed in chemicals business.

Outcomes: Other than resource recovery from waste material students are made aware of tackling problems in chemical industry.

Recommendations: Participants are advised by expert to improve knowledge in chemicals manufacturing as well as resource recovery technologies.

Subject: Three day course on "Quantitative Aptitude"

Respected Sir

As our students are not performing well in 'Aptitude Test' in campus/pool campus drive, the department has decided to provide them training session from a professional person for 3 days. Accordingly we had found resource person Mr. Shiv Jangid who is professional trainer for aptitude skill development and he is ready to take 3 day training session to our students. The remuneration to be paid is Rs. 6000/- for 3 days. I kindly request you to please sanction this amount from the training and placement budget head of the department.

This course will be taken in the week end (i.e. from 9th ~~Feb~~ ^{March} to 11th ~~Feb~~ ^{March} 2018)

Submitted for kind consideration and approval.

Thanking You.

Yours Sincerely,

Mock interview event report

The majority of students prefer to go for job after their graduation. The selection for jobs do not depend solely upon technical knowhow, as reflected by the marksheets, it also depends upon the softskills of the student, as assessed by the interviews. Giving an interview is an art. It needs practice. In order to make the students better employable, department gives them training for interview techniques also. With this view, Mock interviews are organized in the department.

On March 8, 2018, a mock interview session has been organized in the department. Er Vilasrao Deshmukh, Deputy Engineer of PWD Murtizapur kindly served as a resource person for the event.

Mr Deshmukh gave guidance to students for interview techniques, about 86 students has attended this session

Head, Civil Engineering

Mumbai

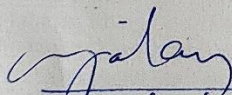

Dear Sir,

We are very much thankful for visiting our Institute on 25/01/2018 from 11:00 am to 1:00 pm for sharing your knowledge, experience and views with our students. The BE students are very much pleased with your valuable knowledge delivered in the expert lecture on "Indian Solar Power Industry: Past, Present & Future". This lecture will help them to build their career.

Thank you for the support, guidance, and encouragement you have provided to the students during the lecture.

I hope you will extend your kind co-operation in future too.

Thanking you,

25/01/2018

Yours faithfully,

Dr. P. J. Shah

Dear Sir,

We are very much thankful for visiting our Institute on 19/03/2018 from 11:00 am to 1:00 pm for sharing your knowledge, experience and views with our students. The BE students are very much pleased with your valuable knowledge delivered in the expert lecture on "Recent Trends in Power System Protection". This lecture will help them to build their career.

Thank you for the support, guidance, and encouragement you have provided to the students during the lecture.

I hope you will extend your kind co-operation in future too.

Thanking you,

Brief Report on
Expert Lecture: SAP & Latest Software

Date & Venue / Location	16 th March, 2018 Seminar Hall, Dept. of Mech. Engg.
Aim / Purpose	To demonstrate knowledge, skills, and understanding of concepts related to recent technologies.
Objectives	1. To provide information about latest software development tools being used in industry 2. To create awareness among students about future challenges and industry demands of software development
Participant's Profile	Final Year Students of Engineering
Description about the Program	<p>Mechanical Engineering Student Association (MESA) organised an expert lecture by an Alumni Mr. Ravindra Sapkale, Sr. SAP consultant, Creative World InfoTech, Pune on topic "SAP & Latest Software" for final year students.</p> <p>He explained that SAP is one of the world's leading producers of software for the management of business processes, developing solutions that facilitate effective data processing and information flow across organisations.</p> <p>He motivated the students to undergo project training in industries and participating in large numbers in campus interviews. He advised the students to be proactive, self-sufficient and continuously upgrade themselves to cope with cut-throat competition and dynamic business environment. He further said that SAP enables the automation of workflows and makes processes streamlined. Data from processes like account management, order management and vendor management flows automatically according to the approval and rejection guidelines defined in the system. This helps organisations become more efficient as the employees can focus on more productive tasks and the ERP system handles the mundane ones.</p>
Outcomes	1. Students shall develop successful the applications using SAP modules. 2. Students shall apply and use different modules and develop projects.
Recommendations	Every year such guest lecture should be arranged for third or final year students.
