### Report of Event

The department is having a practice of inviting eminent industrialists, entrepreneurs and Government Engineers for having expert lectures for the student. These lectures give a real world exposure to students. Apart from this, the college invites senior and well settled alumni also to have interaction with students. The purpose is to morally boost up the students. Many a times the students feel very free in discussing with alumni on those issues with which they may not be free with their teachers or industrial engineers.

Mr Akash Ingle, 2016 passout of our department, visited the department on March 7<sup>TH</sup>, 2020. He had an interactive session with the students. He delivered a lecture on the theme 'Opportunities in Higher Education at Abroad Practices'. He has done MS in Structural Engineering from Hungary. He inspired the students and motivated them successfully for choosing the path of higher education.

Common Observations							
<ol style="list-style-type: none"> <li>It seemed that, it was their first attempt and they might not be attentive at the time of grooming session.</li> <li>Poor listening skills were observed. If they would have been attentive in the grooming session, they might have got complete idea of concept of GD and its procedure.</li> <li>It seemed that some of the students took the activity casually, which was reflected in their behavior / performance.</li> <li>All the students needs to improve &amp; practice English. It's good that some of them took initiative to speak in English, but they need to develop their vocabulary, grammar, pronunciation, sentence formations, etc. They should avoid direct translations (Marathi to English). Many of them were confident in Marathi, but the confidence level dropped down while communicating in English. Avoid frequent change of language. Need to stick with one only.</li> <li>They were clear with the topic. They had basic knowledge, but need to improve upon to remain active throughout the discussion. They should quote examples and also avoid repetition of points.</li> <li>When the preparation time was allotted, it was expected to prepare thoroughly for the topic for smooth conduction of GD. But members seemed to be eager to start the session, without thorough preparation. Hence, the discussion was limited to few points. This is not a good move. On the other side, they failed to keep watch on time and therefore, they kept on preparing, hence, they started late.</li> </ol>							
<p>Total time was 11 mins. (2 mins for preparation, 8 mins for discussion &amp; 1 min for conclusion). Nobody kept track of time, they started very less with lots of preparation and ended after time limit exceeded without conclusion. Poor time management.</p> <ol style="list-style-type: none"> <li>Discussion started - 8.09 mins (Very late)</li> <li>Conclusion started - No conclusion</li> <li>Discussion ended - Panel asked to stop the discussion due to time limit exceeded.</li> </ol>

Common Observations	
1.	It seemed that, it was their first attempt and they might not be attentive at the time of grooming session.
2.	Poor listening skills were observed. If they would have been attentive in the grooming session, they might have got complete idea of concept of GD and its procedure.
3.	It seemed that some of the students took the activity casually, which was reflected in their behavior / performance.
4.	All the students needs to improve & practice English. It's good that some of them took initiative to speak in English, but they need to develop their vocabulary, grammar, pronunciation, sentence formations, etc. They should avoid direct translations (Marathi to English). Many of them were confident in Marathi, but the confidence level dropped down while communicating in English. Avoid frequent change of language. Need to stick with one only.
5.	They were clear with the topic. They had basic knowledge, but need to improve upon to remain active throughout the discussion. They should quote examples and also avoid repetition of points.
6.	When the preparation time was allotted, it was expected to prepare thoroughly for the topic for smooth conduction of GD. But members seemed to be eager to start the session, without thorough preparation. Hence, the discussion was limited to few points. This is not a good move. On the other side, they failed to keep watch on time and therefore, they kept on preparing, hence, they started
Total time was 10 mins. (2 mins for preparation, 7 mins for discussion & 1 min for conclusion). Nobody kept track of time, they started little bit late with good preparation and ended in time with 2 conclusions. Good time management.	
a)	Discussion started - 2.21 mins. (Little late)
b)	Conclusion started - 9.00 mins (Only first & one conclusion is considered in session. There were 2 conclusions in this session.)
c)	Discussion ended - 10.07 mins (Well in time)
3.	Candidates who did not contribute at all : Satyam Pardeshi, Ghanashyam Patil.
4.	Candidates who participated actively in GD : Akshay Patil, Vishal Soni
5.	Candidates who prepared together in GD : Candidate no. 4 is peeping in candidate no. 3's notes.
6.	Personal comments during the session were observed between following candidates: No one
7.	Interruptions / clashes / stopping anyone : No one.
8.	Candidate encouraged / motivated non-speakers : Nobody motivated non-speakers / nervous members in a group.

### IMPORTANT OBSERVATIONS

RED COLOUR REMARKS - NOT ACCEPTABLE AT ALL | BLUE COLOURED REMARKS - USUALLY NOT ACCEPTABLE

- 1 MOST OF THE CANDIDATES NEED TO IMPROVE THEIR ENGLISH COMMUNICATION SKILLS. STUDENTS CHANGED THE LANGUAGE W/O PERMISSION OF PANEL. THIS IS NOT DESIRABLE. FEW OF THEM SPOKE IN ENGLISH & IT WAS GOOD. BUT STILL,  
2 MORE FLUENCY IS EXPECTED.
- 3 STUDENTS WERE IN COLLEGE UNIFORM. THIS IS GOOD. BUT, JEANS SHOULD BE AVOIDED AS FAR AS POSSIBLE ON THE DAY OF INTERVIEW.
- 4 HANDS BELOW TABLE & LEGS BELOW CHAIR ARE AN INDICATION OF NEGATIVE / DEFENSIVE POSTURE. THE PANEL MEMBERS MUST BE ABLE TO SEE THE HAND MOVEMENTS. PALMS CAN BE PLACED ON TOP OF TABLE.
- 5 SOME OF THE PARTICIPANTS CARRIED HANDKERCHIEF / PENS / ETC. IN THEIR HANDS. PLAYING WITH THESE ITEMS WAS OBSERVED IN FEW CASES. THIS CAUSES DISTRACTION OF PARTICIPANTS WHILE SPEAKING AND ALSO REFLECTS A NERVOUS  
6 GESTURE. HENCE, THIS SHOULD BE AVOIDED.
- 7 USE OF LONG EARRINGS / NECKLACES / BRACELETS / EXTRA ACCESSORIES / JEWELLERY / DARK COLOUR NAILPAINS WERE OBSERVED IN FEW CASES. THIS SHOULD BE AVOIDED.
- 8 IN FEW CASES, HAIRS WERE NOT PROPERLY PINNED UP BY GIRLS.
- 9 EXCESSIVE FINGERS, HAND AND LEG MOVEMENTS WERE OBSERVED IN FEW PARTICIPANTS. THESE MUST BE AVOIDED, AS THEY MIGHT DISTRACT THE PANEL MEMBERS.
- 10 BODY POSTURE OF FEW PARTICIPANTS WAS NERVOUS / DRIPPING. THIS SHOULD BE AVOIDED.
- 11 WHILE SPEAKING, USE OF FILLERS SUCH AS UM... AH... (उह... अह...) WERE OBSERVED. THESE MUST BE AVOIDED. INSTEAD, PLAIN PAUSE IS ACCEPTABLE.
- 12 SOME OF THE CANDIDATES WERE NOT ABLE TO MAINTAIN GOOD EYE-CONTACT, DURING DIFFICULT / TRICKY QUESTIONS. THIS REFLECTS A NERVOUS GESTURE AND HENCE SHOULD BE IMPROVED.
- 13 IF THE DOOR IS CLOSED, IT IS BETTER TO KNOCK THE DOOR FIRST. THEN ASK FOR PERMISSION WHILE ENTERING AND ALSO BEFORE SEATING.
- 14 WHILE HANDING OVER ANY DOCUMENT (EG - RESUME), IT SHOULD BE DONE WITH BOTH THE HANDS.
- 15 A) SO, PLEASE AVOID GIVING ROLLED PAGES AND PLACING DOCUMENTS DIRECTLY ON TABLE
